Term 2, Week 10

PRINCIPAL’S REPORT

School Reports Semester One
Reports will be sent home this Thursday for semester one. As previously indicated, parent/teacher interviews will be held early next term and more details will be sent home about this after the holidays.
This year we have added an “Effort” section to the reports for each Key Learning Area. We believe the effort your child puts into their school work is vitally important to inform you how well they are prepared, committed and working to their ability at school. Please review the Effort Description on the front of the report for more information or discuss your child’s effort and their achievement at parent/teacher interviews next term.

Canteen Update – some sad news
As mentioned last week the new licence will be held by the Made Fresh company. They will commence at the beginning of next term. Whilst we are confident the very experienced company of Made Fresh will provide an excellent service to our community we are very sad to be farewelling Lorraine who has worked in our canteen for approximately 9 years. Lorraine has been an outstanding canteen worker knowing the children so well. It is with much disappointment that we farewell Lorraine. On behalf of all the staff and myself I thank her for her contribution to our school community through her work on the canteen and wish her the very best in the future.

Damage to Property
It was very disappointing to hear that some of our students have been damaging a tree in a neighbour’s property as they walk home. Please do not touch trees or anything in other people’s property. I would appreciate parents discussing this matter with their children. Thank you.

Social Media – Instagram: A Parents’ Guide
You may find the following site worth a read to help you become more aware of this form of social media your child may be using.

It has been produced by Headspace, the National Youth Mental Health Foundation.

Thank you for the Term
This has been another busy term of learning and many extra-curricular activities for many students. Next term promises to be just as busy with a year 6 camp, excursions, book week celebrations, athletic carnivals, gala days and a school concert being planned. We will also be holding a major fund raising event but I will provide more details about this exciting venture next term.

I wish everyone a safe and enjoyable holiday and look forward to seeing everyone refreshed for the busy term ahead.

Mr. Wray – Principal
