5N’s BELIEF STATEMENT

In 5N, we strongly believe in being a quality student to improve our education. We are dedicated workers who take pride in our learning and our school to reach our dreams. We come to school every day with a positive attitude to learn and have fun.

It is our job to participate in all activities, work hard, ask questions and never give up. It is Mrs Narayan’s job to provide fun, interesting and educational lessons that will help us reach our goals.

5N class is like a family because we take care of each other, work together as a team and are always encouraging. We are not afraid to tackle challenges, give it a go, make mistakes and learn from them.

We commit to our belief by showing respect to each other, strive to cooperate in the classroom and accept our unique differences.
